

Working Bikes

JOIN US IN CELEBRATING 23 YEARS!

Gather with Working Bikes staff, volunteers, partners, and friends to celebrate the accomplishments of the past year and raise a glass to the amazing community that made it all happen! The **Working Bikes 23RD Anniversary Celebration** will be held at the Working Bikes shop (2434 S. Western Ave.) on **SATURDAY, OCTOBER 1ST** from **4PM-8PM**. Come by for games, music, and more! Local bites and beverages will be provided.

GLOBAL IMPACT

Every year, Working Bikes ships thousands of bikes to international partners. These partner organizations use the bikes from WB as the raw materials for bike shops, investing labor to repair each bicycle before distributing to their communities. The bikes provide access to employment, education, markets, and other resources. In 2021, we shipped 6,856 bikes to partners throughout Central America and Africa.

LOCAL IMPACT

Working Bikes coordinates with local organizations to get bicycles in the hands of those in our community who might not otherwise be able to afford them. In 2021, we donated 1972 bikes locally, primarily through our Cycle of Power and Cycle of Peace programs. Skilled volunteers repaired the majority of donated bikes. Many of the groups and service providers we work with become dedicated stakeholders and long term partners.
